How Art Made The World is a 2005 five-part BBC One documentary series, with each episode looking at the influence of art on the current day situation of our society.. The essential premise of the show, according to Nigel Spivey, is that of all the defining characteristics of humanity as a species, none is more basic than the inclination to make art. Great apes will smear paint on canvas if ...

Even a short section of consecutive text pages from the Hamzanama shows little unity in persons and places. The longest, readily available sequence of Hamzanama text pages is pages 20-27 in volume 11. [76] Table 1 shows for each of these pages the number of places where an action occurs, and the number of distinctively named characters who are the subjects of action.
