Wynn's first major casino on the Las Vegas Strip was The Mirage, which opened on November 22, 1989. It was the first time Wynn was involved with the design and construction of a casino, and he financed the \$630 million project largely with high-yield bonds issued by Michael Milken. The resort's high cost and emphasis on

luxury meant that it was considered high risk at the time, though the ...

In recent years, information technology has had a profound effect on human resources (HR) processes and practices. However, relatively little research has examined its effectiveness, and most of the existing studies have not assessed the degree to which these new systems enable organizations to reach their HR goals of attracting, motivating and retaining employees.

A number of points immediately demand attention. Firstly, the form and nature of relations between local people and tourists evidently varies significantly, from structured, commercial exchange-based encounters to

spontaneous, serendipitous meetings or even relations that involve no contact or communication at all (that is, limited to the sharing of space).
