MANUAL OF PROCEDURE - Miami Dade College

What the Best College Students Do combines interviews with a review of academic research on university learning. The book builds on Bain's 2004 bestseller, What the Best College Teachers Do. To some extent, both books state what we already know that straight A's are nice, but hardly guarantee a happy or productive life.

What the Best College Students Do by Ken Bain | Harvard

Throughout the book, and especially in the first chapter, Bain seems to frame What The Best College Students Do as presenting the findings of his research on, well, what the best college students do. But as you read the book you don't actually see him actually studying what college students do.
