Now promotes his testimonial, in which he tries to convince people that it was the quackery, rather than the surgery, that cured him. He even claims that surgery alone can't cure stage 3 colon cancer, which is just plain wrong. Yes, Chris beat cancer, but it was the surgery, not the quackery, that did it.

Yes, Chris beat cancer, but it wasn't quackery that cured

Two days before Christmas, when Chris was just 26 years old, he was diagnosed with Stage 3 colon cancer. He immediately had surgery to remove a golf ball-sized tumor and a third of his colon. But after surgery, instead of the traditional chemotherapy, Chris decided to radically change his diet and lifestyle in order to promote health and healing in his body.
