Richard R. Gesteland (Author of Cross Cultural Business

• Cross-cultural management explains the behavior of people in organizations around the world and shows people how to work in organizations with employees and client populations from many different cultures. •

Cross-cultural Differences in Management

The theme of this new edition of Cross-Cultural Business Behavior is CHANGE. First of all, cultures change. In markets around the world, business behavior is constantly evolving, impelled by generational shifts, improvements in education, and (especially) increasing exposure to the world marketplace.
