

### **economic section 1 guided pdf**

Economic democracy is a socioeconomic philosophy that proposes to shift decision-making power from corporate managers and corporate shareholders to a larger group of public stakeholders that includes workers, customers, suppliers, neighbors and the broader public. No single definition or approach encompasses economic democracy, but most proponents claim that modern property relations ...

### **Economic democracy - Wikipedia**

An economic system (also economic order) is a system of production, resource allocation and distribution of goods and services within a society or a given geographic area. It includes the combination of the various institutions, agencies, entities, decision-making processes and patterns of consumption that comprise the economic structure of a given community.
