

DOWNLOAD FOUCAULT MANAGEMENT AND ORGANIZATION THEORY FROM PANOPTICON TO TECHNOLOGIES OF SELF

foucault management and organization pdf

This article reviews the use of the later Foucault in organization and management studies. Offering an evaluation of readings of the later writing, we comment on arguments for re-focusing on genealogical criticism, for an alternative Foucauldian politics of the workplace and a form of practical criticism sometimes derived from the later writing.

the perspective given by Foucault's archaeology, prevalent management and organizational theories can be seen as acting as power/knowledge regimes. In a historically specific period,

Anita VÅlikangas and Hannele Seeck Exploring the

This paper explores the different ways in which we read Foucault in management and organisation studies but, more particularly, some of the features of his project that we seem often to exclude.

Foucault and the politics of critical management studies

The volume provides a valuable summary of Foucault's contribution to organization theory, which also challenges the conventions of traditional organizational analysis. By applying Foucauldian concepts such as discipline, surveillance and power//knowledge, the authors shed new light on the genesis of the modern organization and raise fresh questions about organization theory.

Management and Decision-Making in Organizations

Foucault and Managerial Governmentality aims not just to locate this concept in Foucault's wider research project but to apply it to all sorts of management techniques. By applying governmentality to questions of management and organization we will also develop Foucault's original, somewhat sketchy concept.
