A navigation light, also known as a running or position light, is a source of illumination on a vessel, aircraft or spacecraft. Navigation lights give information on a craft's position, heading, and status. Their placement is mandated by international conventions or civil authorities. Navigation lights are not intended to provide illumination for the craft making the passage, only for other ...

The township of Victor Harbor has long been a favoured holiday destination. Situated 80km south of Adelaide with a southern ocean frontage. The panoramic views of the rugged granite landmark bluff and the well known Granite Island are stunning. In winter the Southern Right Whales can be seen basking at Encounter Bay, only metres from the shore line.
