I am busy doing the graphics and illustrations for my next paper, The Colonization of Tiamat, Part V: The Annunaki Strike Back, and one of the illustrations I was working on was the reconstruction of the globe from 13th century mariner maps. Took a bit of doing, as they did not draw maps like we do these days, but I did manage to get something together and made a couple of animated GIF images ...

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)
