Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, using methods of gathering information and utilizing literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

Yellow journalism or the yellow press is a type of journalism that does not report much real news with facts. It uses shocking headlines that catch people's attention to sell more newspapers. Yellow journalism might include exaggerating facts or spreading rumors.. Yellow press newspapers have several columns and front-page headlines about different types of news, such as sports and scandals.
