Tweet As an epidemiologist, I must make a special note at the beginning of this post. Modern epidemiology has its origin with this disease. It was the study of cholera, particularly in England during the middle of the 19th century, that laid the groundwork for the statistical analysis of public health data and applied surveillance.

The Lost Cause of the Confederacy, or simply the Lost Cause, is an American historical negationist ideology that holds that, despite losing the American Civil War, the cause of the Confederacy was a just and heroic one. The ideology endorses the supposed virtues of the antebellum South, viewing the war as a struggle primarily for the Southern way of life or "states' rights" in the face of ...
