

language teacher psychology psychology for pdf

To date, the majority of work in language learning psychology has focused on the learner. In contrast, relatively little attention has been paid to teacher psychology. This volume seeks to redress the imbalance by bringing together various strands of research into the psychology of language teachers.

Language Teacher Psychology by Sarah Mercer, Achilleas

Enlightened by social interaction theory, Long (1980) defined language learning achievement depends on the quality and types of interaction between learners and teachers. Williams and Burden (2000) concluded effective learning lies in the quality of interaction between learners and mediators.
