late antique and medieval pdf

Italy has the richest concentration of Late Antique and medieval mosaics in the world. Although the technique is especially associated with Byzantine art, and many Italian mosaics were probably made by imported Greek-speaking artists and craftsmen, the numbers of significant mosaics remaining in the core Byzantine territories are surprisingly few. This is especially true for the centuries ...

The medieval art of the Western world covers a vast scope of time and place, over 1000 years of art in Europe, and at times the Middle East and North Africa. It includes major art movements and periods, national and regional art, genres, revivals, the artists crafts, and the artists themselves. Art historians attempt to classify medieval art into major periods and styles, often with some ...
