liability of corporate groups pdf

The word "corporation" derives from corpus, the Latin word for body, or a "body of people". By the time of Justinian (reigned 527â€"565), Roman law recognized a range of corporate entities under the names universitas, corpus or collegium. These included the state itself (the Populus Romanus), municipalities, and such private associations as sponsors of a religious cult, burial clubs, political ...

Corporation - Wikipedia

Corporate law (also known as business law or enterprise law or sometimes company law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. It refers to the legal practice relating to, or the theory of corporations. Corporate law often describes the law relating to matters which derive directly from the life-cycle of a corporation.
