The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.

SuperMemo: Incremental learning - Super Memory: Forget

If you've ever worked with air tools, you know they're great. You also know they come with their own set of challenges. Challenge 1: There's the possibility of accidental start-up or misfiring of nail and staple guns when you connect them.
