I've been playing around with accordion paper folding for about a year now and thought it was high time that I put something on the site! The technique is really addictive. This project shows how to make a simple candle holder. All you need is some paper, a glass jar and a little bit of glue so it's a really affordable project.

Origami (from ori meaning "folding", and kami meaning "paper" (kami changes to gami due to rendaku)) is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished ...
