Personal Finance The most important part of having any success in your financial security is to have a sound financial plan. This is the process of managing your money to achieve personal economic satisfaction (pg. 5).

Essay on personal finance goals - 1145 Words | Bartleby

Personal Finance Management Personal finance management is a topic that very few actually understand. There were no finance classes given when I was coming into adulthood. So I had no understanding of credit scores, credit reports, and credit cards. Nor did I have a clue about interest rates and what it meant to have good credit.
