Most health plans must cover a set of preventive services â€” like shots and screening tests â€” at no cost to you. This includes plans available through the Health Insurance Marketplace.

Preventive health services | HealthCare.gov

Preventive healthcare (alternately preventive medicine, preventative healthcare/medicine, or prophylaxis) consists of measures taken for disease prevention, as opposed to disease treatment. Just as health comprises a variety of physical and mental states, so do disease and disability, which are affected by environmental factors, genetic predisposition, disease agents, and lifestyle choices.
