In support of our mission, ACE has actively engaged in scholarly activities and publications to help our member organizations. Lists of different resources and publications sponsored by ACE are available below.

### **Resources – Alliance for Clinical Education**

The examination schedule, including make-up examinations, and remedial examinations is determined by the Director of Assessment and Medical Education Research in consultation with the Assistant Dean for Pre-Clerkship Education (Years 1 and 2) or the Assistant Dean for Clinical Education (Year 3 and 4).

### **Assessment of Student Performance – Academic and Student**

Background and Objectives: Increasing attention is being paid to patients'™ experience of hospitalization. BATHE (a brief psychosocial intervention that addresses Background, Affect, Trouble, Handling, and Empathy) has been found to improve patients'™ outpatient experiences but has not yet been studied in inpatient settings.

### **Effects of a Brief Psychosocial Intervention on Inpatient**

The methods of this research investigation can be grouped into two stages: the creation of a linear scale of the social mission content (SMC scale) of medical school mission statements and the examination of the relationship between SMC scale scores and targeted outputs for medical schools.
