Homework, or a homework assignment, is a set of tasks assigned to students by their teachers to be completed outside the class. Common homework assignments may include required reading, a writing or typing project, mathematical exercises to be completed, information to be reviewed before a test, or other skills to be practiced.. The effect of homework is debated.

The philosophy of education examines the goals, forms, methods, and meaning of education. The term is used to describe both fundamental philosophical analysis of these themes and the description or analysis of particular pedagogical approaches. Considerations of how the profession relates to broader philosophical or sociocultural contexts may be included.
