The Bible In Basic English (also known as BBE) is a translation of the Bible into Basic English. The BBE was translated by Professor S. H. Hooke using the standard 850 Basic English words. 100 words that were helpful to understand poetry were added along with 50 "Bible" words for a total of 1,000 words. This version is effective in communicating the Bible to those with limited education or ...

The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as far back as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.

Personality psychologists "perhaps even more than in some other disciplines" are deeply interested in what is common to personality descriptions in all cultures and societies. The purpose of this chapter is to discuss the potential universality of the Five Factor Model (FFM) of general personality structure. The chapter begins with a discussion of what is meant, or should be meant, by a ...
