One of the best ways to improve fast as a beginner cyclist is to get structure into your cycling. When you've performed a hard training ride, your body will have to recover before it gets stronger. How much time you need for recovery depends on the type of training, your overall fitness and nutritional status.

I nicked this picture from Up Climbing.com, but as its possibly from the Italian version of Deep Play, I thought I could get away with it, as I'm paying Paul compliments and advertising the book. I also couldn't resist using it as I now know all three of the people in the picture, Simon Yates, Paul and Noel Craine, and I'm honoured to say they are all friends.

It is fair to say that roundabouts are one of the hardest sections of the Highway Code for beginners to master. Make sure you read through this page a few times until you completely understand it. If you are learning to drive and have any questions, be sure to note them down and ask your driving instructor next time you have a lesson.
